

We have a good variety of school and church supplies to help

you manage your classroom or decorate your bulletin boards.

Need some blank CDs or DVDs, a keyboard or mouse, USB cable?

Our high speed digital copier is just right for black and white or color copies (even pictures). Often we can make your copies while you wait.

Litho-Craft is a proud member of Partners in Commerce.

Litho-Craft Printing, Office & School Supplies

719 West Beech Street
LaFollette, TN 37766
(423) 562-2296

Litho-Craft is your local, home town source for your office supply and printing needs. We strive to keep our customers satisfied by providing quality products at reasonable prices. Don't be fooled by large chain stores "loss leader" items that get you into the store with a good price, and then charge you "an arm and a leg" for all the other items you need.

Litho-Craft is located behind the Sonic Drive-In (turn off Jacksboro Pike/Central Avenue beside the former Chrysler dealership).

Litho-Craft Printing, Office & School Supplies

719 West Beech Street * LaFollette, TN 37766 * (423) 562-2296

Litho-Craft has most of the office supplies you need every day in stock and available for you. We strive to make your needs our priority... need something on a regular basis that we don't keep in stock? Let us know and we'll make sure to have one on hand for you when you need it. We are big enough to meet your needs, but small enough to remember that customer service is what matters.

We maintain a variety of HP, Lexmark, and Canon laser and inkjet cartridges in stock every day as well as all the supplies you need to keep your office up and running.

Litho-Craft is also a full service commercial printer. We do business cards, forms (multi-part NCR and continuous feed), magnetic signs, and letterhead/envelopes. Call for a quote on your business printing needs today!

Litho-Craft has been located in LaFollette since 1961.

The present owners, Mike Ray & Ken Sims purchased and began operating the business in January of 2006.
